

Serving Our Community for Three Generations

Crystal Peterson is the third generation owner and administrator of Peterson Health Care, Inc. She takes pride in delivering quality care to the elderly in our community as well as out-patients of all ages.

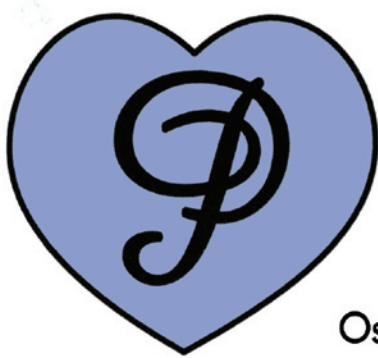

It is the purpose of this organization and its employees to provide a homelike atmosphere and a feeling of security for its residents. We take great pride in providing loving care to enhance our residents' quality of life.

We pledge to deliver quality care in an environment respectful of residents' dignity and privacy. We pledge to be responsive to residents' emotional and social needs knowing the patience and effort required to do this.

At Peterson Health Care our rehabilitation services use a team approach involving physicians, nurses, social work and rehab professionals. Both in-patients and out-patients of all ages receive therapy provided by registered and state licensed physical, occupational and speech clinicians. Treatment is provided for any condition ranging from low back pain to stroke rehab, sports injuries and workman's compensation claims. Medicare and all insurances are accepted.

Peterson Health care also provides Lifeline Response System serving Osage County. This is an easy to use response service that ensures older adults living at home to receive help whenever it is needed.

Peterson Health Care, Inc. Offers many levels of care:
Assisted Living
Skilled Care
Intermediate Care and
Subacute Care
